

Curriculum Vitae **Ioannis T. Parisis, MD, FESC**

Professional Positions

- **Professor of Cardiology/Emergency Medicine**, National and Kapodestrian University of Athens, Greece (2019-2025)
- Member of faculty of Cardiology Department and Debuty Director of Heart Failure Unit, Attikon University General Hospital, Athens, Greece (2004-2015).
- **Director of University Department of Emergency Medicine** of Attikon University Hospital (2015-2025).
- Scientific Supervisor of Long Term Mechanical Circulatory Support of Attikon University Hospital, Athens, Greece (2009-2014)
- Honorary Consultant Royal Brompton and Hearfield NHS Hospitals (2010)

Teaching experience

- Scientific supervisor of lesson **Emergency Medicine** in the 4th and 5th year of Medical School of National and Kapodestrian University of Athens, Greece (2020-2025)
- Teaching the topic **Acute Heart Failure** in the lesson **Cardiology** in the 5th year of Medical School of National and Kapodestrian University of Athens, Greece (2005-2025)
- **Participation in 3 post-graduate programs** (obesity/diabetes, emergency surgery, infectious diseases) of Medical School of National and Kapodestrian University of Athens, Greece
- **Participation in the post-graduate program on Heart Failure** of University of Zurich in Collaboration with European Society of Cardiology (topic; cardiorenal syndrome, inotropes)

Scientific/research Activities

- **Author or co-author** in 437 publications in peer-reviewed international journals,
- **Citations:73438 , h-index: 92**
- **Mean impact factor: 7.2**
- **Author or Co-author in 9 Position Statements** of ESC Heart Failure Association (1. Acute Right Heart Failure, 2.Arterial-ventricular coupling in heart failure, 3.Peripheral organ injury in Acute Heart Failure, 4. In-hospital monitoring in Acute Heart Failure, 5. Acute coronary syndromes and Acute Heart Failure, 6. Management of cardiogenic shock, 7. Valvoular heart disease and Acute Heart Failure, 8. Inotropes in advanced heart failure, 9. Vasodilators in Acute Heart failure)
- **Numerous cardiology book chapters** (ESC Textbook on Heart Failure, ESC Textbook on Cardiovascular Medicine, ESC Textbook in Acute Cardiac Care)
- **Over 200 abstracts** in important scientific meetings, including the American Heart Association Scientific Sessions, the American College of Cardiology Scientific Meetings, the Annual Congress of the European Society of Cardiology (ESC), the Annual Congress of the Heart Failure Association of the ESC and the Annual Congress of the European Society of Emergency Medicine (USEM) .
- **Reviewer** in several international journals (NEJM, Lancet, Circulation, JACC, European Heart Journal, European journal of Heart Failure, ESC Heart Failure, Heart, American Heart Journal, J

- of Cardiac Failure, American Journal of Cardiology, Cardiology, J of Clinical Medicine, Hellenic Journal of Cardiology).
- **Abstract Grader** for the: a) ESC annual main congress, b) Heart Failure Association of ESC annual congress, and c) Acute Cardiac Care association of ESC annual congress
 - **Reviewer and co-author** of ESC guidelines for Heart Failure 2012.
 - **Member of writing task force and co-author** for ESC Heart Failure guidelines 2016.
 - **Associate and Deputy of Editor European Journal of Heart Failure** (I.F 16,9): (Topics: Acute & Advanced HF/Biomarkers/Rehabilitation) (2015-2023)
 - Member of Editorial Board of European Journal of Heart Failure (2023-2025)
 - Member of Editorial Board and Deputy Editor of Journal of Clinical Medicine (2023-2025)(IF: 3)
 - **Member of steering committee of ALARM-HF survey** that examined the clinical profile and management of acute heart failure syndromes in Europe, Latin America and Australia.
 - **Co-Principal Investigator of LEVOREP trial** that investigated the role of pulsed infusions of Levosimendan in advanced heart failure.
 - **National coordinator** for Greece and **member of international steering committee** of the ESC Pilot Registry on acute and chronic heart failure.
 - **Steering committee** in CARD-SHOCK European trial on cardiogenic shock.

Member of national and international organizations/committees

- **Chairman** of the Hellenic Working Group on Heart Failure of Hellenic Cardiological Society (2007-2008).
- **Fellow of the ESC** and a member of the ESC Heart Failure and Acute Cardiovascular Care Associations.
- **Member of ESC Heart Failure Association committee** (2011-2014) which co-ordinates European national working groups or societies on heart failure.
- **Member of Task Force** for Curriculum Heart Failure of ESC Heart Failure Association.
- Active member and **Co-ordinator** of ESC Heart Failure Association committee for acute and advanced heart failure (2012-2024)
- **Chairman** of Hellenic Society of Heart Failure Research (2023-2025)
- **Member** of Hellenic National committee for the approval and implementation of therapeutic protocols in cardiovascular disease in Greece
- **Chairman** of Hellenic National Committee for the specialty/ sub-speciality and training centers in Emergency Medicine in Greece (KESY) (2023-2025)
